

① "Your idea is brilliant, Jacques." ☹️ "It is impossible, though?"

② "No, not at all, and there's no need to compromise..."

③ "We can do it, no problem." (♥️ Thank goodness I found Freeway!)

## Realize what you dream.

Design Web sites visually, in a DTP-style environment—explore and deliver your creative ideas without the limitations of HTML editors. ★ Employ CSS layouts and styles. ★ Take advantage of Unicode for multi-lingual content. ★ Create standards-compliant XHTML. And all without needing to hand-code anything. **Freeway 4 Pro is here. Anything less would be a nightmare.**
